The EMPLOYER agrees to recognize such representatives for the purpose of investigating and presenting grievances to the EMPLOYER subject to the following stipulations:

- A. There shall be not more than forty-five (45) bargaining unit employees designated as stewards, subject to alteration upon mutual agreement between the UNION and the EMPLOYER.
- B. Not more than one employee representative (steward or officer) will be authorized time off with pay to investigate or present any one grievance matter to the EMPLOYER. Nothing in this clause is intended to limit the number of union stewards who may request to use their own time (vacation, compensatory, or time without pay) to investigate and present grievances.
- C. Bargaining unit employee stewards and officers may leave their work stations with the concurrence of their designated supervisor(s), and they shall notify their designated supervisor(s) upon return to their work stations. Concurrence of the supervisor to leave a work station for union business will be limited to the investigation and presentation of grievances to the EMPLOYER.
- D. Employee representatives of the UNION shall receive paid time off to participate in joint labor-management committee meetings and meet and confer sessions with the EMPLOYER. - Section 6.** The UNION may use the EMPLOYER's facilities for UNION business with prior approval of the EMPLOYER. The UNION shall have access to the EMPLOYER's internal mail distribution system and electronic (e-mail) system consistent with the practice existing on the effective date of this agreement. However, the UNION agrees to request prior authorization from the EMPLOYER's Labor Relations Department prior to use of the e-mail system for any mass communication
- Section 7.** The EMPLOYER agrees to allow the UNION to use designated bulletin boards for the purpose of posting notices of union meetings, union elections, union election returns, union appointments to office, union recreational and social affairs, arbitration awards, decisions of the BMS and the courts, and other items specifically approved by the EMPLOYER. It is agreed that items which reflect negatively on the UNION, employees, or the County shall not be posted. All posted materials must be union publications or legibly signed by an authorized union representative.
- Section 8.** Employees have the right to join or to refrain from joining the UNION. Neither the EMPLOYER nor the UNION shall discriminate against or interfere with the rights of employees to become or not to become members of the UNION and further, there shall be no discrimination or coercion against any employee because of union membership or non-membership. The UNION shall, in its responsibility as exclusive representative of the employees, represent all employees without discrimination, interference, restraint or coercion.
- Section 9.** Nothing in this AGREEMENT shall be construed to affect the status of veterans in contravention of existing veterans preference laws relating to the employment, discharge or promotion of veterans.
- Section 10.** The EMPLOYER shall give all new bargaining unit employees, at the time of new employee orientation, a copy of this AGREEMENT, which is to be provided by the UNION.
- Section 11.** The EMPLOYER shall provide the UNION with a report each payroll period which shall identify new hires by name, job class and bargaining unit.
- Further, the EMPLOYER shall refer newly hired AFSCME employees who attend the EMPLOYER's New Employee Orientation program to a UNION orientation session which shall follow the EMPLOYER's orientation session, be limited to thirty (30) minutes in length and held in the same room as the EMPLOYER's New Employee Orientation.

#### ARTICLE 5 - EMPLOYER AUTHORITY

The UNION recognizes the right of the EMPLOYER to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. All rights and authority which the EMPLOYER has not officially abridged, delegated or modified by this AGREEMENT are retained by the EMPLOYER.

#### ARTICLE 6 - SENIORITY

- Section 1.** Seniority is an employee's length of service for the EMPLOYER from the most recent date of employment, re-employment or reinstatement.
- A. Seniority is not interrupted during the period an employee is on approved leave, including leave for UNION business or layoff, if the employee returns to active work status having complied with all the terms and conditions of this AGREEMENT and the conditions the EMPLOYER established in approving the leave.
  - B. If in the event of layoff or recall from layoff two or more employees possess the same seniority date, seniority in such cases shall be in order of the date of acquisition of permanent status in the class from which layoff is to occur or has occurred. If the tie cannot be broken by this method, seniority shall be determined by the last four digits of the employee's Social Security Number, with the employee having the highest such number being the more senior.
  - C. Seniority in work classes covered by this AGREEMENT shall be retained and continue to accrue during the probationary period if an employee leaves a unit covered by this AGREEMENT for another position with the EMPLOYER because of promotion, demotion or transfer.
  - D. An employee appointed to a permanent position in the same job class and department as he/she was employed as a *limited duration* employee (*except for an employee whose work schedule is intermittent, non-continuous or irregular in nature*) shall have seniority for purposes of layoff and recall from the employee's most recent date of hire as a *limited duration* employee, provided such *limited duration* and permanent appointments are contiguous and sequential.

- Section 2.** Seniority rights under this AGREEMENT shall terminate under the following conditions:
- A. Termination of employment.
  - B. Layoff in excess of a period equal to an employee's length of employment but not more than three years.
  - C. Failure to return to work in accordance with the terms and conditions of an approved leave of absence.
- Section 3.** Seniority lists shall contain the names of bargaining unit employees by class arranged in order of most to least senior.
- A. Upon request of the UNION, but not more often than once each calendar year, the EMPLOYER shall establish a seniority list for the designated class(es) and unit. A seniority list shall also be established for affected class(es) within the unit at least ten (10) calendar days prior to the effective date of a layoff. A copy of seniority lists when established shall be furnished to the UNION's designated representative.
  - B. Employees and the UNION shall be obligated to notify the EMPLOYER by certified mail of any error in the seniority list within thirty (30) days of the date the seniority list is furnished to the UNION's designated representative. Within thirty (30) days of notification of errors, the EMPLOYER shall correct errors in the seniority list and furnish the corrected list to the UNION's designated representative. If no error is reported within thirty (30) days after the date the seniority list is furnished or within thirty (30) days after the date a correction in such list is furnished to the UNION's designated representative, the list will stand correct as posted.
- Section 4.** Except in those instances where senior employees are not qualified to perform remaining work duties, seniority shall determine the order of:
- A. Layoff which shall be in inverse order of seniority within each work classification and department\*, provided that any employee who is to be laid off and has previously served in a lower work classification covered by this AGREEMENT may request to exercise seniority rights in such lower classification or its designated equivalent.
  - B. Recall from layoff which shall be in order of seniority within each work classification and department\*, provided that if an employee does not return to work upon recall, as directed by the EMPLOYER or on an extended date mutually acceptable to the employee and EMPLOYER, he/she shall automatically have terminated his/her employment.
  - C. If a senior employee requests exercise of seniority rights over a less senior employee for purposes of layoff, the senior employee, as a condition of the EMPLOYER granting such a request, must accept the work schedule (days of week, work shift, and number of hours per shift) and work location of the least senior employee. The senior employee, as an alternative to replacing the least senior employee in the department may, if such least senior employee's work location is outside the senior employee's geographical work area, request exercise of seniority rights over the least senior employee in the senior employee's geographical work area. Geographical work areas for the purposes of this section shall be as contained in Attachment A. In situations when more than one (1) employee in a job class is simultaneously requesting to exercise seniority rights to positions in the same lower job class, the EMPLOYER will make reasonable efforts to match scheduled hours by seniority.
- Section 5.** The EMPLOYER shall issue written notice of layoff or recall from layoff to affected employees at least ten (10) calendar days in advance of the effective date. Such notice shall be made by certified mail to the employee's last known address as shown by the EMPLOYER's records except when the employees are present at the work site to receive notice.
- \*Certain departments are treated as a single department for purposes of layoff and recall from layoff; see Attachment B.
- Section 6.** Assignment of employees to designated departments shall be at the discretion of the EMPLOYER. When it is necessary for the EMPLOYER to assign/re-assign an employee to a different work assignment, the EMPLOYER will provide such employee with two (2) weeks advance notice when practicable.
- Section 7.** The UNION will reimburse the EMPLOYER the expense of furnishing seniority lists required by this AGREEMENT in an amount equal to \$25.00 per list or \$.05 per employee on each list, whichever is greater, up to a maximum of \$50.00. When more than one copy of the list is requested or required by this AGREEMENT, the UNION shall reimburse the EMPLOYER for such copies at the rate \$.20 per page.
- Section 8.** The above provisions shall not apply to the seniority list established by the EMPLOYER and provided to the UNION prior to the effective date of a layoff as provided in Section 3A herein.

**Section 9.** Employees on layoff will be recalled to fill vacancies in other classes and departments for which qualified, provided they may not exercise seniority rights to create such vacancies. Such employees may waive the recall if the salary rate offered by the EMPLOYER for the position to which recalled is more than twenty (20%) percent below the salary rate of the employee when laid off. The name of an employee so recalled will remain on the layoff list for the class from which laid off, subject to the conditions and limitations set forth in this AGREEMENT.

The parties agree to provide employees who are laid off and in the "Alternative Placement Process" the opportunity to state their preference when there is more than one placement opportunity available to them. (The County would be obligated to take the employee's preference into consideration but would not be required to grant the employee's preference).

The parties agree that if there are alternative placement opportunities available and placement is not accomplished within 2 weeks of the layoff notice, the UNION may appeal the matter to the County Ombudsperson. If placement is not accomplished within 3 weeks of the layoff notice, and if there is an alternative placement opportunity available, the employee will be compensated at the rate of the available position subject to offset by any County derived earnings (i.e. temporary or intermittent wages, or Reemployment Insurance).

**Section 10.** For purposes of layoff and recall, the job classes of Financial Worker and Senior Financial Worker shall be considered a single job class, subject to continuation of the "junior/senior" plan for those two classes through the completion of the Financial Worker redesign implementation. For purposes of layoff and recall, the Financial Worker series is equivalent to the Human Services Representative series.

**Section 11.** For purposes of layoff and recall, the following job class series shall be considered a single job class: Social Worker and Senior Social Worker, Chemical Health Counselor and Senior Chemical Health Counselor, Clinical Psychologist and Senior Clinical Psychologist, Child Support/Collection Service Officer, Principal and Child Support/Collection Service Officer, Senior.

#### **ARTICLE 7 - GRIEVANCE PROCEDURE**

**Section 1.** A grievance shall be defined as a dispute or disagreement raised by an employee against the EMPLOYER involving the interpretation or application of the specific provisions of this AGREEMENT.

**Section 2.** It is specifically understood that any matters governed by statutory provisions, County Human Resources Rules, or departmental personnel rules, except as expressly provided for in this AGREEMENT, shall not be considered grievances under this AGREEMENT. If by law an appeal procedure, other than the grievance procedure contained herein, is available for resolution of a dispute arising from any provision covered by this AGREEMENT and the aggrieved party pursues the dispute through such appeal procedure provided by law, the aggrieved employee(s) shall be precluded from making an appeal under this grievance procedure.

Except that with respect to statutes under the jurisdiction of the United States Equal Employment Opportunity Commission or Minn. Stat. §§ 363.01 - .20, an employee pursuing a statutory remedy is not precluded from also pursuing an appeal under this grievance procedure.

**Section 3.** **GRIEVANCE PROCEDURE:** Grievances, as herein defined, shall be processed in the following manner:

**Step 1: INFORMAL.** An employee claiming a violation concerning the interpretation or application of the express provisions of this AGREEMENT shall:

- A. Within twenty-one (21) calendar days after the first occurrence of the event giving rise to the grievance, present such grievance, with or without the union representative, to his/her supervisor who is designated as appropriate for this purpose by the EMPLOYER.
- B. The supervisor shall give his/her oral or written answer within fourteen (14) calendar days after such presentation to the employee and his/her steward.

**Step 2: FORMAL.** If the grievance is not satisfactorily resolved in Step 1 and the UNION wishes to appeal the grievance to Step 2 of the grievance procedure, it shall be referred, in writing, to the Department Head or his/her designated representative and to the Labor Relations Director or his/her designee within fourteen (14) calendar days after the designated supervisor's answer as provided for in Section 3, Step 1-B. The grievance appeal shall be initiated by means of a written grievance to be signed by the employee and the union representative. The written grievance shall set forth the nature of the grievance, the facts on which it is based, the provisions of the AGREEMENT allegedly violated, and the relief requested. The Department Head and/or his/her designated representative shall discuss the grievance with the UNION within fourteen (14) calendar days after the date presented at a time agreeable to the parties. If the grievance is resolved as a result of such a meeting, the settlement shall be reduced to writing and signed by the Department Head or his/her designated representative and the union representative. If no settlement is reached, the Department Head or his/her designated representative shall give written answer to the union representative within fourteen (14) calendar days following their meeting.

**Step 3: MEDIATION.** If the grievance is not settled in accordance with the procedure set forth in Step 1 or Step 2, it may be submitted to mediation provided that the UNION and the Labor Relations Director or his/her designee, by mutual agreement, jointly petition the Minnesota BMS for assistance in resolving the grievance within ten (10) working days after the employee and UNION's receipt of the EMPLOYER's written answer in Step 2. The parties shall have thirty (30) calendar days in which to resolve the grievance through mediation.

**Section 4. ARBITRATION:** If the grievance is not settled in accordance with the foregoing procedure, the UNION may refer the grievance to arbitration within fourteen (14) calendar days after the employee and UNION's receipt of the EMPLOYER's written answer in Step 2. The parties shall mutually agree upon an arbitrator. If the parties are unable to agree on an arbitrator, the selection of an arbitrator shall be made in accordance with the "Rules Governing the Arbitration of Grievances" as established by the Public Employment Relations Act and administered by the State of Minnesota Bureau of Mediation Services. The arbitrator shall hear the grievance at a scheduled meeting subject to the availability of the EMPLOYER and the union representatives. The arbitrator shall notify the union representative and the EMPLOYER of his/her decision within thirty (30) calendar days following the close of the hearing or submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the EMPLOYER and the UNION, provided that each party shall be responsible for compensating its own representatives and witnesses. Employees who serve as such representatives or witnesses shall not be compensated at a rate in excess of their base pay rate. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, provided it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally. The arbitrator shall not have the right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this AGREEMENT. The arbitrator shall consider and decide only the specific issue(s) submitted, in writing, by the EMPLOYER and the UNION, and shall have no authority to make a decision on any other issue(s) not so submitted. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules or regulations having the force and effect of law. The decision shall be based solely upon the arbitrator's interpretation or application of the express terms of this AGREEMENT and on the facts of the grievance presented. If the arbitrator determines that the grievance is covered by law or statute, or not covered by the express provisions of this AGREEMENT, the arbitrator shall refer the grievance back to the parties without decision or recommendation. The parties may, by written agreement, agree to submit more than one grievance to the arbitrator provided that each grievance will be considered as a separate issue and each on its own merits.

**Section 5.** If a grievance is not presented within the time limits set forth above, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the EMPLOYER's last answer. If the EMPLOYER does not answer a grievance or an appeal thereof within the specified time limits, the employee/UNION may elect to treat the grievance as denied at that step. The UNION may then immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the EMPLOYER and union representatives involved in each step.

**Section 6.** Employees serving an initial probationary period shall have right of appeal only through Step 2 of this grievance procedure except for a grievance alleging an error in salary or benefits due.

**Section 7.** *Limited duration employees (except for an employee whose work schedule is intermittent, non-continuous or irregular in nature) and* employees serving in the unclassified service shall have right of appeal only through Step 2 of this grievance procedure.

**Section 8.** A permanent employee serving a promotional probationary period shall have right of appeal under this grievance procedure provided that such employee shall not have right to appeal beyond Step 2 of this grievance procedure, a demotion to his/her previous classification upon failure to satisfactorily complete the required promotional probationary period. When feasible, a demoted employee shall be returned to the geographical area from which originally promoted.

**Section 9.** The grievant shall not suffer loss of regular pay while the grievant's presence is necessary at a grievance presentation meeting with the EMPLOYER or an arbitrator, except where such grievance presentation meeting or arbitration hearing occurs during the period the grievant has been removed from his/her job for disciplinary reasons. The time spent by the grievant in an arbitration hearing shall not be counted as time worked for overtime eligibility.

#### **ARTICLE 8 - NO STRIKE-NO LOCKOUT**

**Section 1.** In recognition of the provisions included in this AGREEMENT for a grievance procedure to be used for resolution of disputes, the UNION agrees that neither the UNION, its officers or agents, nor any of the employees covered by this AGREEMENT will engage in, encourage, sanction, support or suggest any strikes, slow downs, mass absenteeism, mass use of sick leave, the willful absence from one's position, the stoppage of work or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment. Any violation of any provisions of this Article may be cause for disciplinary action including discharge.

**Section 2.** No lockout shall be instituted by the EMPLOYER during the life of this AGREEMENT provided Section 1 of this Article is not violated by employees or the UNION.

#### **ARTICLE 9 - WORK SCHEDULES/PREMIUM PAY**

**Section 1.** This Article is intended only to define the normal hours of work and to provide the basis for the calculation of premium pay, if any. Nothing herein shall be construed as a guarantee of hours of work per day or per week.

**Section 2.** A payroll period shall be an averaged eighty (80) hours of work within a fourteen (14) calendar day period, except as may otherwise be defined in this AGREEMENT.

**Section 3.** Work shifts, work breaks, staffing schedules and the assignment of employees thereto, shall be established by the EMPLOYER.

A. Where staffing schedules are routinely subject to change, a staffing schedule showing the regular work days and work hours of all employees shall normally be prepared and posted at least fourteen (14) calendar days in advance of their effective date. Such staffing schedules, once posted, will only be modified when necessitated by unscheduled employee absences and unscheduled changes in work load. A temporary change in the staffing schedule of a part-time or *limited duration* employee is not a staffing schedule change for purposes of this Article. Employees may mutually agree to exchange days, shifts or hours of work with the approval of their supervisor provided such change does not result in the payment of overtime.

B. If changes concerning length and/or start and end of shifts for a work unit are to be made in existing full-time shifts, the EMPLOYER shall notify the UNION in advance of implementing the proposed changes and will provide the UNION the opportunity to meet and confer with respect to the proposed changes and their effect on employees. Such meet and confer sessions shall be conducted prior to the implementation of the change, except where an emergency or other unpredictable condition makes this impractical.

C. Employees shall normally be granted an unpaid lunch break and two (2) fifteen (15) minute relief periods during each full work shift of eight hours or more at times designated by the EMPLOYER. In some situations work demands may on occasion preclude the granting of an uninterrupted lunch break or relief period.

**Section 4.** For non-exempt employees, worked hours in excess of forty (40) hours per work week shall be overtime and compensated at one and one-half (1 1/2) times the employee's base pay rate or one and one-half (1 1/2) hours compensatory time for each hour worked, subject to the provision that no employee shall be eligible for overtime premium unless prior approval of the overtime work was granted by the employee's immediate supervisor or his/her designee. Overtime premium shall be provided in the form of either cash payment or compensatory time as determined appropriate by the EMPLOYER, provided employees shall have the right to indicate their preference to the EMPLOYER.

- Section 5.** Worked hours in excess of an averaged eighty (80) hours per payroll period for exempt employees as designated in the Article herein titled "Salary Rates" shall be compensated at the regular base pay rate or one hour compensatory time for each hour worked. Unscheduled emergency work performed on a Saturday, Sunday or official state holiday shall be compensated at one and one-half (1 1/2) times the employee's base pay rate or one and one-half (1 1/2) hours compensatory time for each hour worked. To be eligible for compensation for work performed in excess of eighty (80) hours in a payroll period or for unscheduled emergency work performed on a Saturday, Sunday or official state holiday, approval for such work must be made by the employee's immediate supervisor. Employees shall have the right to inform the EMPLOYER of their preference for cash payment or compensatory time. Compensatory time may be accrued to a maximum balance of forty (40) hours. Compensatory time may not be carried over from one calendar year to the next and shall be liquidated by the close of each year either by the employee taking the time off or the balance being paid off in cash at the employee's base pay rate. EMPLOYER approval for compensatory time off shall be the same as that required for vacation.
- Section 6.** Employees shall be available for overtime work, holidays and night shifts when assigned to such unless excused by the EMPLOYER.
- Section 7.** The base pay rate or premium compensation shall not be paid more than once for the same hours worked under any provisions of this AGREEMENT.
- Section 8.** A shift differential of \$.80 per hour shall be paid to all employees who work on an assigned shift where at least five (5) hours of the shift occur between 5 p.m. and 7 a.m. Such shift differential shall be paid in addition to other forms of premium compensation for which the employee qualifies. LPNs will receive a differential of \$1.10 per hour for shift, \$1.35 per hour for permanent nights, and \$.70 per hour for weekends. Medical Examiner's Investigative Assistant and Medical Examiner's Technician will receive a shift differential of \$1.10/hour.
- Section 9.** Employees called to the work site by the EMPLOYER shall be paid for hours actually worked at their base pay rate but not less than three (3) hours. Such payment shall be either in cash or compensatory time off as determined by the EMPLOYER.
- Section 10.** Should the EMPLOYER intend to institute flex time, job sharing or work tasking, it shall first meet and confer on any of the above-mentioned items with the UNION.
- Section 11.** When an employee is expressly assigned to perform the duties of a position allocated to a different classification that is temporarily unoccupied, and such assignment is for 40 or more continuous regular hours, the employee shall be paid for all such hours at the employee's current salary rate when assigned to work in a lower or equal class or at a rate within a higher range which is equal to the minimum rate for the higher class or one (1) step higher than the employee's current salary, whichever is greater. In order to qualify for such higher rate, the employee must perform that work which distinguishes the higher classification from the employee's regular class in terms of level of responsibility, types of duties, and/or quality and quantity. Rotation of employees through a position in a higher class for the purpose of avoiding payment of out of class pay is a violation of the intent of the out of class pay agreement.
- Section 12.** Work shifts shall be considered part of the day and date on which they begin.
- Section 13.** A weekend differential of \$.60 per hour shall be paid to all full-time employees required to work on any shift(s) that start on either Saturday or Sunday as part of their regular schedule. Such weekend differential shall be paid in addition to other forms of premium compensation for which the employee qualifies. LPNs will receive a differential of \$.70 per hour for weekends. *Full and part-time employees in the job classification of* Medical Examiner's Investigative Assistant and Medical Examiner's Technician shall receive a weekend differential of \$1.00/hour.
- Section 14.** Approved vacation hours shall count as hours worked for purposes of computing overtime.
- Section 15.** Employees who are specifically required or authorized by the EMPLOYER to use foreign or sign language skills shall be compensated for such work according to the following terms and conditions:

- A. Full-time employees who are regularly required to use foreign language or sign language skills in addition to other job duties shall receive a salary differential of \$45.00 per payroll period. This differential shall be pro-rated on the basis of scheduled hours for part-time employees. This differential will be in effect for all compensated hours including compensated leaves.
- B. Employees who provide foreign language or sign language interpretation on an occasional or irregular basis at the request of the EMPLOYER shall receive \$9.00 in addition to their regular salaries for any work day on which such services are performed. This additional compensation shall not exceed \$45.00 for any one payroll period.

**Section 16.** Employees expressly assigned by the EMPLOYER to remain in "On Call – Off Premises" status shall receive \$2.50 for each hour so assigned.

**Section 17.** In the event the EMPLOYER exercises its discretion to close a department, work site or workplace due to an emergency, including inclement weather, employees who were scheduled to work but could not due to such EMPLOYER decision may use accrued leave (vacation, sick leave, compensatory time, deferred holiday) to cover the hours missed. Further, with the approval of the EMPLOYER, an employee may be allowed to make up the time by working additional hours. *Such approved additional hours may be assigned in a work location which is different from the employee's regular work location, if practicable.*

**Section 18.** Employees in the job classification of Senior Community Health Worker *and WIC Public Health Nutritionist* that are expressly designated by the EMPLOYER to be a WIC Site Coordinator shall receive a differential of \$1.00 for each hour so worked or designated, provided such an assignment is for at least a period of four (4) hours.

**Section 2.** Employees who are assigned to work a holiday with the exception of Christmas Eve Day shall receive compensation of two and one-half (2 1/2) times their base pay rate for hours worked on the holiday. Employees who are assigned to work the Christmas Eve holiday shall receive compensation of two (2) times their base pay rate for hours worked on that holiday. Compensation for holiday hours assigned/worked shall be provided either in compensated time off or cash payment as approved by the EMPLOYER.

**Section 3.** Except for operations which are seven (7) days per week and twenty-four (24) hours per day, when a holiday, as designated in this Article, falls on Sunday, the following day (Monday) shall be considered the holiday for employees, or when such holiday falls on Saturday, the preceding day (Friday) shall be considered the holiday for employees. An employee, regardless of his/her work schedule, shall receive the same number of holidays as an employee whose normal work week is Monday through Friday.

- Section 4.** Holidays which occur within an employee's approved and compensated vacation or sick leave period will not be chargeable to the employee's vacation or sick leave time.
- Section 5.** Employees may observe a religious holiday on days which do not fall on Sunday or a legal holiday. Observance of such religious holiday shall be charged against accumulated vacation, compensatory leave or taken as leave without pay. The EMPLOYER may arrange to have the employee work an equivalent number of hours to the hours taken for such holiday if arrangements can be made for the employee to work another day. The employee must notify the EMPLOYER at least ten (10) days in advance of the religious holiday of his/her intent to observe such holiday. The EMPLOYER may waive this ten (10) day requirement if the EMPLOYER determines that absence of such employee will not substantially interfere with the department's function.

The EMPLOYER shall not be responsible for managing an employee's vacation leave balance so as to ensure no loss of the benefit because the balance is at or near the 280 hour limit. Correspondingly, the EMPLOYER will not force employees to take vacation for such purpose.
- Section 4.** Requests for vacation leave must be submitted to the employee's designated supervisor at least forty-eight (48) hours in advance of the absence requested and are subject to the supervisor's written approval. The forty-eight (48) hour advance notice requirement may be waived if, in the judgment of the supervisor, the leave will not cause undue inconvenience to the EMPLOYER. The EMPLOYER shall respond in writing to written employee vacation requests within seven (7) calendar days of the date the request is received provided the request is received by the EMPLOYER at least seven (7) calendar days prior to the beginning of the requested vacation period. Such employer approval must be received by the employee in order for such vacation request to be considered approved. Vacations, once approved, shall not be cancelled by the EMPLOYER except for unforeseen circumstances.

- Section 6.** Upon the complete termination of employment, employees shall be eligible to receive their unused accumulated vacation as a severance payment. Any vacation severance shall be paid at the employee's base pay rate at the time of termination, and shall be subject to the limitations on severance payment stated in the Article herein titled "Severance Pay."

Further, at the discretion of the Department Director, additional vacation accrual may be granted for the purposes of retaining a valuable employee.

Correspondingly, the EMPLOYER will not force an employee to take paid time off (PTO) for such purpose.

- Section 5.** Requests for paid time off (PTO) must be submitted to the employee's designated supervisor at least forty-eight (48) hours in advance of the absence requested and are subject to the supervisor's written approval. - D. Employees shall have access to information contained in their personnel records in accordance with the provisions of the Data Practices Act, as amended.

**Section 7.** Union Representation.

Employees will not be questioned concerning an administrative investigation of disciplinary action unless the employee has been given an opportunity to have a union representative present at such questioning. When mutually agreeable, the UNION shall have the right to take up a suspension, demotion, and/or discharge as a grievance at the second step of the grievance procedure, and the matter shall be handled in accordance with this procedure through the arbitration step if deemed necessary.

**Section 8.** Disciplinary action shall be taken in a timely manner.

### **ARTICLE 33 - EMPLOYEE ASSISTANCE**

The EMPLOYER shall make available to employees covered by this AGREEMENT the Employee Assistance Program it establishes for County employees and shall provide employees covered by this AGREEMENT with the information distributed to County employees familiarizing them with the program.

### **ARTICLE 34 - NON-DISCRIMINATION**

In accordance with applicable city, state and federal law, all provisions of this AGREEMENT shall be applied equally by the EMPLOYER and the UNION to all employees without discrimination based on race, color, creed, religion, age, sex, disability, marital status, affectional preference, public assistance status, criminal record or national origin. In the event that any of the pertinent antidiscrimination laws are changed during the term of the AGREEMENT to include or exclude a protected class or classes, this AGREEMENT will be applied so as to include or exclude that class or classes within the provisions of this section. In addition, all provisions of this AGREEMENT shall be applied equally by the EMPLOYER and the UNION to all employees without discrimination as to political or organizational affiliation or membership in the UNION.

### **ARTICLE 35 - SCOPE OF AGREEMENT**

This AGREEMENT shall represent the complete agreement between the UNION and EMPLOYER. The parties acknowledge that during the negotiations which resulted in this AGREEMENT each had the unlimited right and opportunity to make requests and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the complete understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this AGREEMENT.

Therefore, the EMPLOYER and the UNION, for the life of this AGREEMENT each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this AGREEMENT or with respect to any subject or matter not specifically referred to or covered in this AGREEMENT, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this AGREEMENT.

**ARTICLE 36 - SAVINGS CLAUSE**

This AGREEMENT is subject to the laws of the United States, the State of Minnesota, and Hennepin County. In the event any provision of this AGREEMENT shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provision shall be voided. All other provisions shall continue in full force and effect. Upon written request of either party, the parties shall meet and negotiate on a substitute provision for the voided provision.

- Section 3.** The EMPLOYER's policy on use of Special Leave Without Pay (SLWOP) provides that employees may use SLWOP in cases where they would otherwise not take the leave. An in-range salary increase shall be given to an employee upon satisfactory completion of 1,040 compensated regular hours of service in a new classification to which promoted. ### FUNERAL LEAVE ADMINISTRATION UNDER THE AFSCME CONTRACT

The "Funeral Leave" Article (Article 16) of the labor agreement between Hennepin County and AFSCME Council #5 provides that employees can receive paid leave to make necessary funeral arrangements and to attend funeral services in the event of a death in the employee's "immediate family." Article 16 defines "immediate family" for this purpose as comprising the following family members:

"...spouse, parent, step-parent, parent-in-law, children, stepchildren, brothers, brothers-in-law, sisters, sisters-in-law, aunts, uncles, nieces, nephews, grandparents, grandparents-in-law grandchildren, or person regarded as a member of the employee's immediate family."  
(Emphasis added.)

The bolded part of the provision cited above first appeared in the 1994-95 labor agreement. The intent of this new provision was to recognize "non-traditional" family relationships that employees might have with persons who do not meet the literal definitions enumerated above, but who fulfill the same roles for the employee. For example, the funeral of an employee's domestic partner would qualify for paid leave under this language, if the domestic partner's relationship to an unmarried employee is comparable to that of a married employee's spouse. Similarly, such a domestic partner's parents would be analogous to parents-in-law, and the domestic partner's children would be analogous to the employee's children or stepchildren. Another type of qualifying relationship could be the parent of the employee's children (if the parents are not married).

Because the criteria relate to the definition of "immediate family" found in the labor agreement, application of the term must be consistent with the definition found in the agreement. An employee's qualifying "non-traditional" family relationship should virtually be the equivalent of a qualifying "traditional" relationship. There should be a history to the relationship that establishes such equivalency.

It would be inappropriate, for example, for an employee to decide that any funeral qualifies for paid leave under this article, because all humanity is a "family." It would also be inconsistent with the intent of the language for the employee to decide that a friend is the equivalent of a brother or sister (although a friend might qualify as a "brother" if he and the employee grew up together in the same household). Friendship alone is not a defining characteristic of either traditional or nontraditional relationships.

Letter - Local 34 Issues

November 22, 1999

Rita During  
AFSCME Council 14  
300 Hardman Ave So, Suite 2  
South St. Paul, MN 55075

RE: Local 34 Issue

Dear Ms. During:

In the current labor contract negotiations for the Social Service Bargaining Unit (Local 34), the Union has proposed that "If the Employer hires new employees above the entry rate, the Employer will immediately raise all employees, in the same classification and at a lower rate, to the rate of the newly hired employee."

In principal, the County agrees that hiring new employees at a higher rate than paid to existing employees in the same class who are equally or better qualified has the potential to create perceptions of inequity and generally should be avoided. However, the County does not consider paying employees, whether new or existing, above the entry rate of the negotiated pay range to be a violation of the labor agreement and is not agreeable to, in effect, imposing financial penalties on itself for doing so.

The County understands and appreciates the Union's concerns on this matter and intends to be responsive in any future incidents as it has been in the past. To ensure that the Union has a means to address any concerns it does not feel are being properly addressed through normal channels, the Union may refer such concerns to the Deputy County Administrator or his/her designee. The Deputy County Administrator will serve as an "ombudsperson" on these matters in the same way he/she serves as the County "ombudsperson" on health and safety matters.

Sincerely,  
Rolland C. Toenges  
Labor Relations Director

Letter of Understanding – Workload/Caseloads

**LETTER OF UNDERSTANDING**

**BETWEEN  
HENNEPIN COUNTY  
AND  
AFSCME COUNCIL NO. 14,  
LOCALS 34 and 552**

In the above-referenced labor agreements, the provision set forth below is found in Article 31, Meet and Confer:

"In addition, the parties mutually agree to conduct additional meet and confer sessions within individual departments or divisions. The number, frequency, length, scope and size of such meetings shall be determined by mutual agreement."

The parties have reached the following understanding with respect to the interpretation and application of this language:

1. Upon request of the Union, the Employer agrees to meet and confer with Union representatives on issues related to workloads/caseloads in specific departments and divisions.
2. The objective of such meet and confer processes is to identify ideal workload or caseload sizes and methods of achieving or working towards ideal workloads/caseloads. It is specifically understood that actual assigned workloads may differ from ideal workloads. The goal of the parties is to conclude this meet and confer process within nine months of the Union's contract ratification date.
3. The Employer agrees that ideal or appropriate workloads/caseloads will be a significant consideration when assessing employee work performance.

Hennepin County understands AFSCME's concern that classification studies requested by employees it represents be processed in a timely manner. Further, that AFSCME has an interest in periodically knowing the status of such studies.

In order to provide AFSCME with information regarding the status of particular classification studies, Hennepin County agrees to meet and confer upon request of the Union for this purpose. Upon making a request for such meet and confer sessions AFSCME agrees to identify the particular classification studies of interest at least two weeks in advance of the meet and confer sessions. Such advance notice will enable Hennepin County to arrange for the presence of staff who possess the knowledge sought by AFSCME.

**Clarification of Health Insurance Article**

December 1, 1995

TO WHOM IT MAY CONCERN:

This letter is to clarify the interpretation of Section 7 of Article 22, Insurance, contained in the collectively bargained agreement between Hennepin County and AFSCME Council 14 for the period January 1996 through December 1997.

The parties to this Agreement acknowledge that there is a mutual duty to bargain regarding a change in the level of health insurance benefits unless such change occurs as a result of a change in insurance carriers or self insurance.

The parties further acknowledge that, pursuant to existing Minnesota Statutes, the aggregate level of benefits provided by a group insurance contract may not be reduced unless the parties to the collective bargaining agreement agree to the reduction in benefits. Under existing statutes, therefore, if a change in insurance carriers or self insurance will result in a reduction in the aggregate level of benefits for employees, such change may not occur without agreement of the parties to the collective bargaining agreement.

## Transfer to Another Jurisdiction Letter

November 15, 2005

Steve Marincel  
AFSCME Council 5  
300 Hardman Ave. S., Suite 2  
South St. Paul, MN 55075-2469

Dear Mr. Marincel:

This letter modifies the letter dated November 2, 1995 from Rolland Toenges and is intended to clarify the procedures which would be followed in the event that the Minnesota Legislature transfers positions occupied by bargaining unit employees to the State of Minnesota or to another political subdivision.

If the legislature were to mandate such a transfer of positions (or of bargaining unit work), Hennepin County would find itself confronted with a lack of work for employees, and/or a lack of funds. This would be a potential layoff situation as defined by Article 3 of the labor agreement. The procedures set forth in Article 6, Section 4, would therefore apply.

This means that such layoffs (or transfers to another jurisdiction) would take place in order of inverse seniority as provided in the contract. Senior employees would be able to exercise seniority rights over less senior employees, subject to the conditions and limitations found in the labor agreement, except that layoff rights granted under this letter will terminate two years after the employee is transferred to the new jurisdiction or for a period equal to an employee's length of employment with Hennepin County, whichever is lesser.

The only additional qualifications is that if the legislation mandating the transfer of positions specifically identifies the employees to be transferred, the County would be required to follow the provisions of the law. This requirement is found in both the labor agreement (Article 36) and the Public Employment Labor Relations Act (M.S. 179A.20, Subd. 2).

Sincerely,  
William P. Peters  
Labor Relations Director

## Clarification of Seniority Letter

March 8, 1994

Mr. Steve Marincel  
Business Representative  
AFSCME Council #14  
267 Lafayette Frontage Road South  
St Paul, MN 55107-1683

Dear Mr. Marincel:

The purpose of this letter is to clarify how the parties shall interpret and administer Article 6, Seniority, Section 9 of our Clerical and Related Labor Agreement. Section 9 reads as follows:

"Employees on layoff will be recalled to fill vacancies in other classes and departments for which qualified, provided they may not exercise seniority rights to create such vacancies. Such employees may waive the recall if the salary rate offered by the EMPLOYER for the position to which recalled is more than twenty (20%) percent below the salary rate of the employee when laid off. The name of an employee so recalled will remain on the layoff list for the class from which laid off, subject to the conditions and limitations set forth in this AGREEMENT."

An employee laid off pursuant to Article 6, Section 4 will be recalled via Section 9 to fill vacancies in other classes and departments for which qualified. The employee must accept such recall unless the pay for the job class to which he/she is recalled is more than 20% below that of the job class from which laid off.

The Employer will first recall such laid off employees to vacancies covered by the Clerical and Related Bargaining Unit. If no vacancy is available within the bargaining unit, the Employer will recall such employees to a vacancy outside the bargaining unit, if available.

If the vacancy to which an employee is recalled via Section 9 is in a different class than that from which he/she was laid off (either within bargaining unit or outside bargaining unit), the employee will remain on a layoff list for the job class and bargaining unit from which laid off. When a vacancy occurs anywhere in the bargaining unit in the job class from which the employee was laid off, the employee shall be recalled to fill such vacancy subject to seniority provisions. Upon such recall, the employee will be removed from the layoff list.

If after recalling an employee to a vacancy in a different job class from which laid off (via Section 9), a vacancy becomes available in the job class from which the employee was laid off, but such vacancy is outside the bargaining unit, it shall be the Employer's option to assign the employee to such vacancy. If the employee is so assigned, he/she shall remain on a layoff list for the job class from which laid off in the bargaining unit.

If this interpretation is consistent with your understanding of Article 6, Section 9, please so signify by signing below.

Sincerely,  
William P. Peters

As allowed by Minnesota State law (M.S. 471.975), the County Board, through Resolution No. 03-232R1, has authorized two improved benefits for employees who have been called to active duty on or after May 29, 2003.

### SALARY DIFFERENTIAL

Employees called to active military duty on or after May 29, 2003 are eligible to receive the difference between their County salary and basic military pay. The differential is payable if the employee's basic military pay is less than what he/she would have received in regular County salary. The following conditions apply.

1. Salary differential is available for military service on or after May 29, 2003.
2. County salary is based on daily scheduled work hours for the day(s) of military leave taken. It does not include any miscellaneous salary differentials, such as shift differential.
3. Any salary differential payment will be paid in a lump sum, subject to the County's standard lump-sum tax withholding rate, and it will include PERA contributions. The payment will be separate from any regular paycheck the employee receives during his/her absence.
4. Basic military pay does not include the following: basic combat training, advanced individual training, annual training, periodic inactive duty training, voluntary active service not legally required, or service performed under M.S.190.08 (Subd. 3).
5. The employee, or his/her representative, must request to be paid this salary differential, and supply the necessary military pay records.

### EXTENDED EMPLOYER-PAID HEALTH COVERAGE

Employees called to active duty on or after May 29, 2003 are eligible to continue their County-sponsored health coverage—with a County contribution toward either single or family coverage as though they are actively working—for up to four years.

General questions regarding the pay differential may be directed to OBF [Payroll@co.hennepin.mn.us](mailto:Payroll@co.hennepin.mn.us) (telephone 612-348-3251). ## Board Action Request ( 09-0380 )

(08/17/2009 - Forwarded from County Administration by Booth  
Melissa with a status of Addendum )

Originating Department: Human Resources  
Immediate Approval? No

Item:

Authorization to County Administrator during a declared emergency to allow employees with depleted leave hour balances to accrue a negative vacation/sick leave/PTO balance

Board Action Request

BE IT RESOLVED, that the County Administrator be granted the authority to allow employees with insufficient paid leave hour balances to accrue a negative vacation/sick leave/PTO balance not to exceed 160 hours, under circumstances requiring employees to be off work due to a declared emergency; and

BE IT FURTHER RESOLVED, that the County Administrator be granted the authority to negotiate these provisions as they apply to union employees.

Background:

Policy provides that Hennepin County may close or reduce services if the health, safety, and/or security of county employees and clients are threatened. The County Administrator or his/her designee, in consultation with the County Board Chair if available and/or majority of the Board members, is responsible for initiating closing procedures and release of employees. Released employees may utilize vacation, sick leave, paid time off, compensatory time, or make up the time in accordance with provisions of Human Resources Rules or labor agreements.

A focus in recent planning discussions on pandemic influenza has been on administrative issues in dealing with high employee absentee rates due to employee or family members' illness, school or day care closings, limited public transportation, etc. Because these absences may be for extended periods of time, flexibility is important to help employees manage as they could potentially use all accumulated sick leave, vacation, paid time off, compensatory time, etc.

Whether due to a pandemic influenza or other declared emergency, it is requested that the County Administrator be authorized to allow employees who have depleted their paid leave balances to accrue a negative vacation/sick leave/PTO balance up to 160 hours.

Prior to accruing a negative balance, employees must execute a consent form accepting the two conditions of this allowance: 1) that upon employee return to work, vacation/sick leave/PTO hours accumulated will first be used to restore any negative leave hour balance - once the negative leave hours have been restored, the employee may again use paid leave hours accumulated; and 2) that if the employee leaves Hennepin County service before restoring a negative leave hour balance, compensation equal to unrestored leave hours owed the county will be deducted from their final paycheck(s) .

### Board Action Request ( 09-0339 )

(07/14/2009 - Forwarded from County Administration by Booth, Melissa with a status of Communication )

Originating Department: Human Resources

Immediate Approval? No

Item:

Provide PERA-covered retirees, participating in the Coordinated and Basic Plans, returning to public employment through PERA's Phased Retirement Option, continued eligibility in the County's early retiree health insurance program (ERHIP).

Board Action Request

BE IT RESOLVED, that in support of Board Action Request 09-0097, the county continue to provide eligibility for non-organized PERA covered retirees employed in a Phased Retirement Option in the County's early retiree health insurance program (ERHIP).

Background:

Originally established in 1967 by the Hennepin County Board of Commissioners, and most recently amended in 2007, County policy is to contribute toward the health plan premium of "early" retirees meeting specified age and/or length of service requirements. A retiree is eligible for the early retiree health insurance program (ERHIP) if one of the following requirements is met:

#### REQUIREMENT #1

Age at time of Retirement	Year of Full Time Equivalent County Service	= Non-continuous work hours
at least 55 but less than 62	20	41,600
at least 62 but less than 63	15	31,200
at least 63 but less than 64	14	29,120
at least 64 but less than 65	13	27,040

#### REQUIREMENT #2

The retiree at the time of his/her retirement qualifies for and applies for a full, unreduced retirement annuity (other than a deferred annuity), based on a minimum of 10 years of Hennepin County service, from an approved public service retirement program.

#### REQUIREMENT #3

The retiree at the time of his/her retirement qualifies for and applies for a retirement annuity (other than a deferred annuity) from an approved public service retirement program with at least 25 years of covered service, at least 10 of which must have been with Hennepin County.

If the retiree meets one of these requirements, the County contributes towards the cost of the coverage, until the end of the month in which the retiree reaches age 65, as though the retiree is actively working with employee-only health plan coverage.

Recent changes to the County's ERHIP have limited eligibility: Resolution 06-12-546R1 limited participation in ERHIP for nonorganized employees to those hired prior to January 1, 2007.

In March 2009, the County Board supported state legislation by approving Board Action Request 09-0097. This action allows PERA-covered public employees, participating in the Coordinated and Basic plans who are at least age 62 and have 5 years of service, to retire and receive their retirement annuity and simultaneously continue or return to covered employment to work at least twenty-five percent (25%) less than their previously scheduled work hours without contributing to PERA and without the current rehire and earnings limitations.

The legislation was enacted by Hennepin County because it is anticipated to provide an avenue for the county to promote – and for retirement eligible employees to consider – phased retirement which, in turn, will allow employees to receive their retirement pension while at the same time continuing to provide service and the benefit of their experience to the County.

As a result of Resolution 06-12-546R1, PERA-covered retirees returning to public employment in a non-organized position under the Phased Retirement Option would no longer be eligible for the County's ERHIP. In addition, employees participating in the Phased Retirement Option would lose ERHIP eligibility if schedule hours were reduced below 40 per pay period.

It is recommended that the Hennepin County Board of Commissioners – to promote the enactment of the state legislation - provide continued ERHIP eligibility to non-organized PERA-covered retirees working under PERA's Phased Retirement program.
